

Week 3 - Share Hope

#addewidagobaith #hopeandpromise

**A prayer remembering
God is with us**

Heavenly Father,

**You light the way to guide
me**

**You give me hope to
reassure me**

**You remind me that your
love is never ending**

***You can add you own part
of the prayer here. You
may like to tell God how
you are feeling? Or tell God
about someone you are
worried about.***

**Help me to remember
that you are always with
me**

Amen

A great way for us to share ideas and prayers as a church school community is on twitter. Here are some examples that you could have a go at and then share.

Lego challenge

Can you build a scene from the Bible using Lego? Can we guess which scene it is?

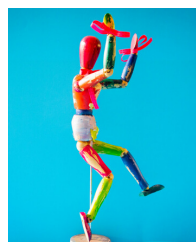

Rainbows of Hope

Our twitter feeds have been covered in Rainbows. Videos of classes passing rainbows virtually, outdoor chalk rainbows and rainbow science experiments to name but a few. It's a great way to thank key workers but also a reminder of the importance of hope.

Drama

Can you use puppets, toys, characters to retell a story from the Bible? Can we guess the story? What message does the story tell us?

Share

We would love you to share your ideas with us on twitter using the hashtags
